Accomplishes pre-flight inspection of the aircraft and cargo/airdrop systems according to flight manual procedures. Supervises cargo/passenger loading and off-loading operations. Directs the placement of material handling equipment to accomplish cargo on/off loading operations. Operates the aircraft winch to on/offload cargo. Ensures cargo/passengers are placed according to load plans. Determines cargo restraints requirements according to criteria and directs and checks the application of cargo restraint equipment. Checks cargo/passenger loads against manifests. Ensures availability of fleet service equipment and passenger comfort items. Receives and signs receipts for and stows in-flight meals. Accomplishes passenger briefings to include the use of emergency equipment, evacuation procedures, and border clearance requirements. Demonstrates the use of passenger emergency oxygen systems and life vests. Computes and completes aircraft

weight and balance documentation either manually or electronically. Visually monitors aircraft clearances (interior and exterior), identifies proximal threats to the aircraft and initiates corrective actions (aircraft scanning). Accomplishes in-flight checks according to flight manual procedures. Monitors cargo and provides for passenger comfort. Prepares and dispenses passenger meals, snacks and refreshments. Completes required aircraft forms documentation and border clearance requirements. Airdrop qualified Loadmasters only: Conducts cargo and personnel airdrops according to directives. Attaches extraction parachutes to cargo and platforms. Inspects cargo and platforms, extraction systems and connects static lines. Checks tiedowns, parachutes, containers, suspension systems, and extraction systems to ensure proper cargo extraction or release. Operates aircraft airdrop systems and supervises cargo and paratroopers exiting the aircraft.

Performs other duties as assigned.
